

# Brookwood Student Ministry

## Description of Programs

Brookwood Student Ministry offers several programs for students. These programs are intended to serve the needs of the students, and as such, may change as deemed necessary by the Student Ministry Council. Below is a list of current programs with descriptions of each.

**Sunday School:** Every Sunday morning, the students meet in the Student Annex to participate in Sunday School. Students gather in the Worship room for announcements and then go to their class. We offer 2 types of classes. Traditional Sunday School is taught using Lifeway's Explore the Bible Curriculum in an engaging and interactive environment. We also offer Discussion Groups that utilize Lifeway's Disciple's Path as their guide to daily and weekly activities.

**HangTime:** Every other Sunday, the students are invited to stay after church to participate in afternoon activities. This program is designed to afford more students the opportunity to be a part of both morning and evening services by allowing them to remain on campus. During HangTime students may be involved in Bible Studies, Prayer Time, Committee Meetings (an open forum led by our Student Beacons), Mission Projects and Free Time/Games. Students are requested to bring a lunch and snacks with them that can be stored in our kitchen.

**Impact:** Impact is a diverse program that is driven to make an **impact** on our students and, in turn, teach our students to make an **impact** in our community and the world. This program is often split into two classes: Challengers for guys and Acteens for girls. These classes focus on Missions Education, building relationships with International Missionaries, planning local service or mission projects and growing as evangelists. Students can also expect to participate in creative activities and fun group games during this time.

**Student Fellowship:** Our game room opens every Wednesday before Renew to allow the students an opportunity to take a break from the week and spend time with each other. As Student Ministry Advisors, we believe it is important to allow our students a regular time to fellowship and bond with other believers. We provide snacks while they challenge each other in air hockey, pool, foosball, xbox or board games.

**Renew:** Wednesday nights offer Praise, Worship and a Message! These messages are special to our students as most topics come directly from their requests! This provides us an opportunity to teach what the Bible says about issues our young people are facing today. As Advisors, we encourage our students to "take up their cross daily" and we understand that in order to do this, they must make a daily commitment to follow Jesus. This program allows them to **renew** that commitment and offers mid-week Worship to help them refresh.

**Game Night:** On the second Friday of each month, our students are invited to spend a couple hours with their friends on campus. Many of our students have developed strong bonds with each other despite attending separate schools. This program allows our students to strengthen these

bonds while spending quality, supervised time together. We have group board games, free play, large group games and snacks!

**Monthly Fun Days:** Our Student Ministry Council strives to plan at least one Fun Day per month. This could include Mega Scavenger Hunts, Water Days, off campus trips and Movie Nights. Student Ministry should be educational, engaging, creative and FUN! We enjoy watching our students not only grow as Christians, but have fun doing it!
